LAUNCHED! The Cross Program Accomplishments Reporting Module
*The **new home** of Planned Accomplishments reporting for State Fire & Volunteer Fire Programs*

The GARP team is pleased to announce the launch of the Cross Program Accomplishment Reporting Module. At this time invite USFS Regional Office and Washington Office staff with responsibilities for administering State Fire and Volunteer Fire Program grants to begin using this module to set up grants and add planned accomplishments for their grantees.

Need a GARP primer? Check out this **8-minute introductory video**.

Getting Started
For the best experience, please use Microsoft Edge or Google Chrome browsers.

To get started please go to **https://garphub.org/report/** and click Sign Up to set up your GARP account.

Once the GARP team has approved your account request (generally within 1 business day), you can access the Cross Program module directly **here**. *Don't forget to bookmark the page for future convenience.*

Support and Learning Resources

User Guide: Please get the Cross Program ARM user guide **here** for detailed instructions.

Training: If you missed the training session and haven't registered yet, please sign up for the final session **here.** A recording of the training will be available at **garphub.org/resources** after the final session.

At any time if you have any questions, feel free to reach out to **support@garphub.org**.
